

**AN ORDINANCE TO ADOPT A REVISED BUSINESS LICENSE ORDINANCE IN ACCORDANCE WITH THE BUSINESS LICENSE STANDARDIZATION ACT (2020 ACT NO. 176)**

**WHEREAS,** in September 2020, the South Carolina General Assembly adopted the South Carolina Business License Tax Standardization Act (2020 Act No. 176), now codified at S.C. Code Sections 6-1-400 to 6-1-420 (the "Act"); and

**WHEREAS,** the Act requires all municipalities and counties that impose a business license tax to adopt a standard business license year of May 1 through April 30; and

**WHEREAS,** the Act requires all municipalities and counties that impose a business license tax to utilize the Act's standardized business license requirements and class schedule; and

**WHEREAS,** the Act requires all municipalities and counties to update their business license class schedules every odd year based on the latest available IRS statistics; and

**WHEREAS,** in establishing the rates for the business license taxes set out in the 2022 Business License Ordinance, the Council has determined, as contemplated by new S.C. Code section 6-1-400(G)(1) and (2), that, in addition to the sound basis of taxation using IRS statistics on profitability, a rational basis also exists for particularized treatment of certain business subclassifications in Class 8 and 9 with individually designated rates, for reasons of economic stimulus or in consideration of the enhanced or disproportionate demands for County services or infrastructure; and

**WHEREAS,** in order to comply with the requirements of the Act, the County of Sumter (the "County") has prepared the attached 2022 Business License Ordinance, codified as County Code sections 26-23 through 26-45, which is incorporated herein by this reference,

**NOW THEREFORE, BE IT ORDAINED BY THE COUNTY COUNCIL OF THE COUNTY OF SUMTER, SOUTH CAROLINA, AT ITS REGULAR MEETING DULY ASSEMBLED AND BY THE AUTHORITY THEREOF:**

1. The attached 2022 Business License Ordinance, to be codified as Sections 26-23 through 26-45 of Article II of Chapter 26 of the County Code, is hereby adopted and incorporated by this reference, and shall become effective beginning with the business license period commencing on May 1, 2022 ("the Effective Date"). The attached Appendix A ("Business License Rate Schedule"), including Class 8 Rates and Class 9 Rates, and the attached Appendix B ("Business License Class Schedule by NAICS Code"), also are hereby adopted and incorporated by this reference, and also shall become effective commencing on the Effective Date.

2. Current Appendix A and Appendix B, and current County Code sections 26-23 through 26-42, related to business licensing, shall be repealed and replaced in their entirety by the attached beginning with the Effective Date, with the following exceptions:

- (a) Any ordinances of the County related to collections programs administered by the Municipal Association of South Carolina, including without limitation, the Insurance Tax Collection Program (ITCP), the Brokers Tax Collection Program (BTCPP), the Telecommunications Tax Collection Program (TTCP), and Setoff Debt Collection Program, shall remain in full force and effect in accordance with their terms except to the extent specifically amended by the 2022 Business License Ordinance, and
- (b) The repeal shall not affect any previous or pending prosecution or civil action for enforcement of the repealed ordinances or County Code sections, or for collection of any business license taxes or penalties or interest arising from the repealed ordinances or County Code sections, and neither shall the repeal prevent such a prosecution or civil action from being commenced for any violation occurring prior to the repealing of the ordinances or County Code sections.

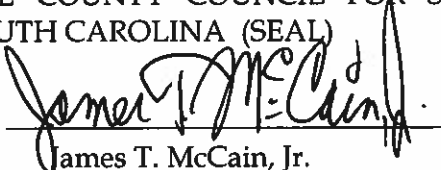

3. The repeal provided for in section 2 hereof shall not be construed to revive any ordinance or part thereof that has been repealed by a subsequent ordinance that is repealed by this Ordinance.

4. If any section, subsection, or clause of this Ordinance, or the new Article II of Chapter 26 of the County Code, or the new Appendices, shall be deemed or determined to be unconstitutional or otherwise invalid, the validity of the remaining sections, subsections, and clauses shall not be affected thereby.

Following adoption of this Ordinance on its third and final reading, the attached 2022 Business License Ordinance, Appendix A, and Appendix B, along with the remaining provisions of this Ordinance, shall become effective, as provided above, beginning with the business license period commencing on May 1, 2022.

In accordance with state law, the County also may provide for reasonable subclassifications for rates, described by an NAICS sector, subsector, or industry, that are based on particularized considerations as needed for economic stimulus or for the enhanced or disproportionate demands on County services or infrastructure.

Non-resident rates do not apply except where indicated.

No contractor shall be issued a business license until all performance and indemnity bonds required by the Building Code have been filed and approved. Zoning permits must be obtained when required by the Zoning Ordinance.

Each prime contractor shall file with the License Official a list of sub-contractors furnishing labor or materials for each project.

For licenses issued on a per-job basis, the total tax for the full amount of the contract shall be paid prior to commencement of work and shall entitle the contractor to complete the job without regard to the normal license expiration date. Only one base tax shall be paid in a license year. Licensees holding a per-job license shall file, by each April 30 during the continuation of the construction project, a statement of compliance, including but not limited to a revised estimate of the value of the contract.
