

Attention City of Sumter Residents!

PREPARE YOUR YARD TRIMMINGS PROPERLY!

Follow these guidelines when placing leaves, limbs and other yard trimmings at the curb for collection. Collection is provided for residents only - **NO BUSINESSES, PLEASE.**

- **All leaves, pine straw and yard clippings MUST BE BAGGED AND SEPARATED** from other yard debris.
- **Normal yard trimmings and prunings in reasonable quantities will be removed.** Excessive amounts of trimmings or lot clearings, tree and/or stump removal must be taken to the landfill by the resident.
- **Tree limbs and prunings must be no larger than 8 inches in diameter and cut into lengths of no more than 4 foot** and be placed separately from other yard debris.
- **Dirt must be removed** from all tree root balls.
